Welcome to nginx!

If you see this page, nginx is successfully installed and working. Further configuration is required for the web server, reverse proxy, API gateway, load balancer, content cache, or other features.

For online documentation and support please refer to nginx.org.
 To engage with the community please visit community.nginx.org.
 For enterprise grade support, professional services, additional security features and capabilities please refer to fs.com/nginx.

Thank you for using nginx.

2. Deploy a sample index.html file on nginx

AAAAAAAAAAAAAAAAAAAAAAAA

Welcome to My Nginx Server

AAAAAAAAAAAA

Nginx is successfully running on port 81.

```
[root@ip-172-31-38-241 ec2-user]# yum install nginx
